

4^{Ps}

Development programmes for people in healthcare

Sample programme, 4

Creating opportunities for involvement

Session Four – Involving the wider community

Outline Programme for Facilitators

Date

Location

12.30pm Check room etc.

1.00pm Delegates registration and lunch (ask delegates to take seats in group want to work with)

Timing guidelines

1.35pm Welcome back,

What's been happening since the last session? * F1
Thoughts, reflections
Issues
Follow up on demanding patients F2
Any other issues?

[*Depending on who there discuss how to use time – do input on groups/do issues first/ work on after tea and agree programme]
[If like last time do session straight]

2.00pm Outline of session F2
What we will cover today – OHP

2.05pm Small group – Ask them to share within their group
what organisations involved in with their community F1

2.15pm Brainstorm and discussion, second part F2
Exercise 1. How many volunteer? Why? What get
out of it?
Work with elements from Handout VG-A, then give out

Move to discussions based around OHPs F1
Why organise a voluntary group; what volunteers may
provide; what volunteers might get out of it, sum up F2
Handout VG-A How to get started for use back at base.

4^{Ps}

Development programmes for people in healthcare
